Dear Haniff:

On behalf of Manhattan Psychiatric Center Executive board, Staff and all our Patients, we would like to THANK YOU and your organisation for the wonderful B. B. Q. held on July 07, 2000. It was a wonderful day and all the patients enjoy every moment of it, the food, drinks, and the music was much of a delight for our patients.

Your generous donation, goes to show that there are support from community businesses such as yours, mean so much to our clients and dedicated staff. It communicates that there are people who truly care and have not forgotten those who are living with severe mental illness.

Once again we all would like to thank you and your colleagues, for the wonderful time. I look forward to collaborating with you on events in the year 2000 and more to come in the near future.

Sincerely,

Rabindra V. L. Budhu
