Re: Mr Haniff Baksh (Broker)

I would really like to say thank you for being a true realtor, by that I mean, we felt you went above and beyond the call of duty.

The purpose of having a true realtor when trying to sell your house, is putting all your worries in their hands and them handling it.

I must say anything that came up, you handled it. I have never sold a house before and I had no idea of all the things that come up physically and mentally. Without a shadow of doubt you were there for us.

I would recommend you to anyone looking to sell their house. I feel they can put their house in your hands and just listen and wait and you will do the job.

In closing I just want to say: Thank you, Thank you, Thank you!
