Dear Mr. William Bellejambe,

Robert and I are very grateful to have had you as our realtor for the sale of Frank's house. **You exceeded our expectations.** We felt **pampered and cared for** through all phases of the sale. Your **kindness** continued after the closing when you visited Frank in his new residence at the senior housing.

We believe, for you, it is all about **relationship building** with your clients and the community. You worked with us to **achieve our goal** and always had **our best interest** at heart. Your **positive spirit** and **commitment to excellence** made it a pleasure to work with you.

We appreciate your **hands on approach**. Thank you for making arrangements for house maintenance, cleaning out the house contents, and garbage removal. Also, for rolling up your sleeves and shoveling snow.

We will **highly recommend you** to our family and friends. **You are our Real Estate Consultant for Life!!!**

Sincerely Yours,

Robert and Kathleen Cirigliano
